Excerpt from Journal

Office of Legislative Counsel

Tuesday - 26 February 1963

7. (Secret - JGO) I met with Mr. Carl Marcy, Staff Director, Senate Foreign Relations Committee, concerning the Committee questionnaire on nondiplomatic activities of representatives of foreign governments which had been forwarded to the firm of [redacted] of New York City regarding a contract that a company had with a Far Eastern government. Senator Fulbright (D., Ark.) joined the meeting briefly and it was determined that those questions which would require inclusion of classified information for a full and candid reply may be completed by omission of such information and insertion of the phrases "discussed with the Staff Director, Mr. Marcy."
